Dear Mr. Miller,

On behalf of the Deep Foundations Institute, I would like to express our gratitude for your making a presentation at the Driven Pile Seminar in Baltimore, Maryland on June 17, 2005. Your time and effort helps to promote the Deep Foundations Institute on a whole as well as to create a better understanding of the technology of driven piles.

We appreciate your support of the deep foundations industry and the DFI through your attendance and willingness to share your knowledge. Please find enclosed your Certificate of Professional Development Hours. If you require any assistance in the future, feel free to call on the Deep Foundations Institute. We are always happy to help and serve you.

Best Regards,
